

Smashhit Solutions Online Design Center

Please review following proof for correct spelling, artwork and colour:

- The images on this proof are a preview to the final product.
- Please note that there may be some variation in colour(+/-5-10%) during production.
- Design artwork may shift in direction 1/16th of an inch during production.
- Back should be reviewed to ensure the presence and location of signature panel, bar code, human readable number and/or magnetic stripe

Colours of the text in Front Side Design

Colours of the text in Back Side Design
